Dear \_\_\_\_\_:

I have completed the Boy Scouts of America requirements for the rank of Eagle Scout and I am preparing to submit my application. The application requires me to list contact information for people who can serve as references for me, including my parents/guardians, a religious leader, a teacher or other educational staff, my employer (if any), and two other persons who know me, can attest to my character, and can recommend me for the Eagle Scout Award.

You are one of the persons I listed as a reference. If possible, would you please write a letter of reference for me indicating why you think I should be awarded the Rank of Eagle Scout. Please send your letter of reference to the designated adult leader from my Unit whose name and address are on the enclosed envelope. They will deliver your response unopened to the person conducting the Eagle Board of Review. The Council or District Eagle Representative who will conduct my Eagle Board of Review will open the responses from my references so that they can be considered by the Board. Your response is completely confidential, I will never see your recommendation.

The Eagle Scout Award is the highest award a Scout can earn in the Scouts BSA program and is given as much for personal leadership and character qualifications as it is for the attainment of Scout skills. Members of the Eagle Board of Review, who represent the Glacier's Edge Council on behalf of the Boy Scouts of America National Council, are interested in receiving your evaluation and comments regarding my leadership ability and personal qualities. Please comment on these in your letter, then place it in the enclosed envelope and mail it.

Please respond at your earliest convenience, but no later than \_\_\_\_\_.  
(two weeks from request)

Thank you very much for your time and serving as a reference for me as I seek to attain the highest award in the Scouts BSA program.

Sincerely,

\_\_\_\_\_  
Eagle Scout Candidate
