

# Camp Staff Packing List

Not sure what to bring for your summer as a staff member? Want to make sure you don't forget anything? Look no further!

## General Guidelines

- Each staff member will be provided with a twin-sized bed/mattress and a limited amount of storage space. You may want to bring a footlocker/crate/tub if you think you may need more storage space (and you probably will). Space in staff quarters is tight so be courteous to your roommates when choosing what to bring!
- One week's worth of clothes is all you will need –washer/dryer setup is located at the Shower House. Laundry can easily be done as necessary throughout the week and on weekends.
- Camp will provide you with 2 EBSR staff polo shirts, and a staff hat, and a participant shirt. Many areas also create staff shirts. You will be required to wear specific shirts on certain days of the week.
- Labeling things with your name is a very good idea. Camp is not responsible for lost/stolen/damaged personal items. If you forget anything, Wisconsin Dells has a Wal-Mart and you can buy whatever you need there on one of your nights off or a weekend.

## Uniform Clothing

- Scout Uniform Shirt – VERY IMPORTANT! You may want more than one, but most people get by with one without problems. Don't forget a hanger to hang up your shirt(s)!
- Other Scout T Shirts
- Scout Shorts or Pants – two or three pairs (shorts recommended – it's hot outside!)
- Scout Belt
- Scout Socks! You can never have enough of these...five pairs recommended at minimum! (any length is okay)

- (optional) Scout Hat – camp will also provide you with a staff hat for the summer

*\*Neckerchiefs and Merit Badge Sashes are neither required nor recommended\**
