## FRIENDS OF SCOUTING MAKES A DIFFERENCE!

As parents and as a community we must be prepared to invest the necessary resources to help our youth succeed and grow. It currently costs \$250 per year to deliver Scouting to one youth. Your financial investment, plus that of your time and talents, are among the greatest gifts you can make.

Scouting has made me a better person along with creating some of my favorite memories. Scouting gave me the chance to be part of a group of people who do great things such as helping the community. It also gave me the chance to create some of my favorite memories such as living on a boat for 3 nights in the Florida Keys, camping in West Virginia with 15,000 other scouts and backpacking for 10 days through the mountains in New Mexico. Scouting has taught me how to survive the outdoors, be a friend, and be a leader.

Ever since I was 10 years old, I'd been tagging along to scout meetings with my brother at our local church and never knew the extensive positive impact it'd have on my life. Scouting has pushed me to learn, grow, and connect, providing me with amazing opportunities, companions, and purpose. Working as a camp counselor at EBSR, I've found joy in giving back to my community by teaching scouts expression through artistic skills. There is truly nothing quite as special to me as scouting!
