
CAMP STAFF PACKING LIST

General Guidelines

Each staff member will be provided with a twin-sized bed/mattress and a limited amount of storage space. You may want to bring a footlocker/crate/tub if you think you may need more storage space (and you probably will). Space in staff quarters is tight so be courteous of your roommates.

Two weeks' worth of clothes is recommended. A washer, and dryer setup is located in the shower house area and laundry can easily be done as necessary throughout the week and on weekends.

The camp will provide you with two EBSR polo shirts. Certain shirts are required to be worn on certain days of the week.

Labeling things with your name is a VERY good idea. Camp is not responsible for Lost/Stolen/Damaged personal items. If you forget anything, Wisconsin Dells has a Walmart where you can purchase what you need on nights off or on weekends.
